

Papple Custom Farming Snow Removal Terms and Conditions

for the 2026-2027 season

Snow clearing means blowing/pushing snow from a described physical area to any permissible area nearby. Stacking or hauling of snow, sanding, salting, de-icing or hand shoveling are not included in this contract unless otherwise specified.

Snow clearing will commence after a snowfall event with an accumulation of approximately five centimeters (5cm) or more. The timing of service visits will vary from storm to storm. The Contractor shall be permitted to remove snow from your property at any time.

The customer understands it is not possible to maintain "bare pavement" at all times during the snow removal season. Between snow removals the owner has full responsibility over the premises in between the contractors clearings. It is expected that the contractor will make one (1) attempt to plow/blow the parking lot/driveway per day.

The term of this contract is from November 1st to April 1st of the indicated season. If vehicles are parked in the driveway when snow clearing is to commence, snow will only be cleared from accessible areas that open into the street.

The Contractor shall not be held responsible for damage to objects in the designated snow removal area including but not limited to: basketball nets, garbage cans, recycling bins, plant pots, toys, hockey sticks, extension cords, and Christmas lights, etc. Please remove all articles from the driveway prior to each snowstorm. Basketball nets must be turned or elevated to at least 10 feet to provide adequate clearance for tractors. Please have gutter downpipe extensions removed prior to the commencement of the winter season. Elevated water main caps in driveways should be hammered down level with the surrounding surface. The contractor will not be held responsible for gravel displaced from the driveway.

The Contractor shall not be held liable for Personal Injury Or Slip & Falls. Papple Custom Farming is only responsible for the removal of snow and does not ensure a safe or slip-free surface.

I WAIVE, RELEASE, AND DISCHARGE from any and all liability, including but not limited to, liability arising from the negligence or fault of the entities or persons released, for any disability, personal injury, property damage, or actions of any kind which may hereafter occur to me, Papple Custom Farming and/or their directors, officers, employees, representatives, and agents as applicable; and I INDEMNIFY, HOLD HARMLESS, AND PROMISE NOT TO BRING ACTION AGAINST Papple Custom Farming/Oliver Papple for any and all liabilities or claims made. The Contractor will not be liable for any scratches, rust marks or damage caused to heaved, chipped or uneven asphalt or interlock surfaces. The Contractor shall not be held responsible in any way for damages due to icy or slippery conditions.

By signing up for snow removal you are agreeing to these terms.

Oliver Papple
